1. As a user, I want to register to this X game platform by using an email, nickname and a password in order to login it and play it online.

Estimate: 3

Priority: must have

2. As a user, I want to create a new match in order to play it. I can invite another user to join the match in order to play together. He/she can accept my invitation or reject it by giving me a notification.

Estimate:5

Priority: must have

3. As a user, I want to send more than one invitation. The first user accepting my invitation will be the first one joining the match.

Estimate:5

Priority: won't have this time

4. As a user, I want to play multiple games at the same time.

Estimate:6

Priority: won't have this time

5. As a user, I want to quit from any game at any time.

Estimate: 5

Priority: could have

6. As a user, I want to be able to unregister.

Estimate: 3

Priority: could have

7. As a user, I hope that the platform can record the history of matches in order to view it by registered users.

Estimate:4

Priority: should have

8. As a user, I hope that the user who created the match would be the one making the first move.

Estimate: 3

Priority: must have

9. As a user, I hope the system should be able to determine whose turn is it.

Estimate: 5

Priority: must have

10. As a user, I hope this game is asynchronous so that I can leave a while, then come back, and check whether it's my turn or not.

Estimate: 7

Priority: won't have this time

11. As a user, I hope I can cancel my previous move if I regret it within 3 seconds.

Estimate:5

Priority: won't have this time

12. As a user, I hope that this game will be abandoned if the user who should move a step doesn't move within 10 seconds.

Estimate:5

Priority: could have

13. As a user, I should be the winner if another user quits this game or abandons it.

Estimate:5

Priority: could have

14. As a user, I hope the system can display one user's ability level to play this game. For example, my initial level is 0 after registered. When I win more than 5 games, my ability will become 1. More 5 games I win, my ability level should be increased by 1.

Estimate:6

Priority: won't have this time

15. As a user, I hope that this platform can store how long I have registered for this system. If I just registered, then I am just a new member. If I registered it 3 years ago, then I am an old member.

Estimate:5

Priority: could have

16. As a user, if I want to invite another user to play, I hope this platform can provide me with a list. The users on the list are legal, and I can invite them directly.

Estimate:4

Priority: should have
